

Battery Hydraulic Multi Tools TEN GROUP

Hydraulic Cut & Crimping Tool

- Lightweight and ergonomic design
- Audible and visual fault signal notifies of incomplete crimp pressure or crimp/cut cycle interruption
- Genuine Makita® high performance Lithium-Ion battery
- Quick battery charge time
- Multifunction LED indicates battery and maintenance features
- Automatic retraction on completion of cut cycle
- Automatic Retraction Stop for multiple cutting & crimping applications
- Manual retraction button does not rely on battery
- Also cuts booker rod, din rail and punches holes
- LED light facing crimp jaw illuminates dark work areas
- Balanced centre of gravity
- Environmentally friendly biodegradable hydraulic oil

Part No.	EK60UNVLCAU	EK120UNVLCAU
Cut/Crimp Force (kN/Ton)	60/6	108/12
No# of Crimps (Approx per Battery)	300 @ 150mm ² Cu	110 @ 150mm ² Cu
Head Type	Flip Top	Flip Top
Max Cut OD (mm)	40	40
Cu	✓	✓
Al	✓	✓
ACSR	✓	✓
Steel Rod	13	13
Guy Wire	15	15
Armoured	✓	✓
Booker Rod, DIN Rail	✓	✓
Max Crimp (mm²)		
Cu	300	400
Al	240	240
Head Rotation (°)	360	360
Specific Features	Two Tools in One (Crimp & Cut) Three Tools in One (Purchase Punching Adaptor)	
Kit Contents	Plastic Case, Tool, 6 Ton "C" Die Adaptor, Cutter Blade, Charger 240VAC, 2 x Batteries	Plastic Case, Tool, 12 Ton "C" Die Adaptor, Cutter Blade, Charger 240VAC, 2 x Batteries
Spare Battery #	RAL2	RAL2
Battery Voltage (DC)	18	18
Battery Amp-hour (Ah)	3.0	3.0
Spare Charger (240VAC) #	LGL1	LGL1
Weight of Tool (kg)	4.6	6.3
