

# Telescopic Barriers 6850

**Volume Discounts Apply**

TEN's Telescopic barriers are the ideal high visibility barricade system. Perfect for barricading trucks, construction areas, trenches, wet concrete or newly painted road markings. The barriers are designed to hook over all parking cones and feature an extendable, slide system that provides added versatility and reduced storage space.

- Eyelets are made from high impact ABS Plastic
- Barrier is made from rugged nylon
- Reflective tape for improved visibility
- 1.2m when retracted, 2m when fully extended
- Flexible eyes on either end prevents damage

**Flexible Eye Ends Prevent Damage**

**Durable ABS Plastic**

**Reflective Yellow Tape**
