

### Rain Cover to suit Universal Bucket Apron

Part No: TENM419

- Rain cover to suit universal bucket apron
- Fixes to press studs

### Bucket Tool Trays

Part No: 05-9 Series

- Non conductive
- Provides safe and convenient storage on bucket

05-955

05-951

Part No	Dimensions (mm)	Mounting in Bucket	Weight (kg)
05-919-1	610 (D) x 160 (W) x 430 (L)	Outside	7.7
05-918-1	190 (D) x 150 (W) x 355 (L)	Outside/Inside	1.7
05-951	190 (D) x 150 (W) x 355 (L)	Outside	3.6
05-955	190 (D) x 150 (W) x 510 (L)	Outside	4.6

05-918-1

Part No: 05-929-1

- 4 removable compartments

Dimensions (mm)	Suits Buckets	Weight (kg)
508 (L) x 203 (W) x 152 (D)	Maximum 40mm wide (85mm lip if outside)	3.7

### Bucket Tray Socket Holder

Part No: 05-9 Series

- Non conductive
- Provides safe and convenient storage on bucket
- Holds set of deep sockets 12mm – 25mm
- Can also be attached to 05-830 Tool Board

Part No	Dimensions (mm)	Suits Bucket	Weight (kg)
05-977	290mm (L) x 50mm (W) x 50mm (D)	With liner	1.6
05-976	290mm (L) x 50mm (W) x 50mm (D)	Without liner	1.6

### Bucket Tool Board

Part No: 05-8 Series

- Non conductive backing board
- Bracket enables tool board to be easily installed/removed without tools
- Features 4 pocket leather tool pouch, knife pouch and 4 nylon loops
- The utility bags 05-829 & 05-825 are made from heavy duty cordura with a wide leather loop riveted on the top for easy access with rubber gloves
- The socket holder 05-830 is made from fibreglass
- Other styles and configurations available upon request
- Bucket hooks not included

Part No	Dimensions (mm)	Weight (kg)
05-829	460 (W) x 490 (L)	2.1
05-830	460 (W) x 490 (L)	2.5
05-825	460 (W) x 490 (L)	1.8

### Bucket Hooks

Part No: Various

- Non conductive
- Supplied as pair (2 included)

Picture	Part No	Suits bucket lips	Diameter (mm)	Weight (kg)
	10-126	PVC	76	0.3
	10-005	PVC	57	0.3
	10-000	PVC	57	0.4
	05-947	Plastic	80	0.3
	10-118	Polymer	57	0.3
	10-148	PVC	51	0.2

### Bucket Impact Wrench Holders

Part No: REL-IH-H

- Non conductive
- Top bracket can be moved for left or right handed operation, in or outside bucket
- Securing strap
- Holds drill with auger still in chuck
- Suits common industry impact wrenches

Part No	Suit Bucket Lips (mm)	Weight (kg)
REL-IH-H	38 – 76	3.0

Part No: 05-8 Series

- Non conductive
- Top bracket can be moved for left or right handed operation, in or outside bucket
- Velcro securing strap
- Holds drill and protects auger still in chuck
- Includes auger holder on side (2 augers max)

Part No	Suit Bucket Lips	Suits Drills	Weight (kg)
05-831	Maximum 50mm wide	Common industry impact wrenches	2.3
05-833	Maximum 100mm wide		2.3
Part No	Description		Weight (kg)
P19157	"L" Bracket to suit 05-831		0.5
P19189	"L" Bracket to suit 05-833		0.5

Part No: 05-8 Series

- Nylon (Non conductive) drill holster
- Top bracket can be moved for left or right handed operation, in or outside bucket
- Velcro holding strap for transporting
- Holds drill with auger still in chuck

Part No	Suit Bucket Lips	Suits Drills	Weight (kg)
05-832	Maximum 50mm wide	Common industry impact wrenches	1.1
05-834	Maximum 100mm wide		1.2
Part No	Description		Weight (kg)
P19157	"L" Bracket to suit 05-832		0.5
P19189	"L" Bracket to suit 05-834		0.5

**Bucket Saw Holder, Hydraulic/Petrol Chain Saw - Fibreglass**

Part No: 05-9 Series

- Non conductive
- Provides safe and convenient storage on bucket, preventing accidental damage
- Accommodates up to 915mm saw bar length

Part No	Mounting	Weight (kg)
05-909-1	Inside Bucket	4.5
05-910-1	Outside Bucket	5.0

**Bucket Tool Rack**

Part No: 05-9 Series

- Non conductive
- Designed for hanging hand tools, crimpers & hoists
- Provides safe and convenient storage on bucket, eliminates trip hazards
- Adjustable bracket

Part No	Dimensions (mm)	Suits Bucket	Weight (kg)
05-992	510 (L) x 200 (W) x 150 (D)	With liner	3.6
05-993	510 (L) x 200 (W) x 150 (D)	Without liner	3.6

**BUCKET & BOOM ACCESSORIES**

**Tool & Equipment Holders**

Part No: Various

- Range of tool and equipment holders for buckets
- All high grade field tested UV stabilised material

Part No	Picture	Description	Dimensions (mm)	Suit Bucket Lip (mm)	Main Material	Weight (kg)
PTI-219028		Battery Tool Holder	450H x 230L x 90W	60Wx170H	PE	1.4
PTI-219029		Mini Battery Tool or Hand Crimper/Cutter Holder	530L x 115W	60Wx170H	PE	2.5
PTI-CHH-22		Mini Battery Tool or Hand Crimper/Cutter Holder, with Open Ended Side Tube	195W x 95B x 540H (Tube 50mmID x 400L)	60Wx170H	PE	3.3
PTI-IWH5		Impact Wrench/Drill Holder for Bucket, Yellow with Lockstrap	Takes Drill with 610mm Bit	60Wx170H	PE	1.6
PTI-BSH4		Pole Saw Holder for Boom Mount with Ratchet Strap Fittings	740L x 165W	N/A	PE	2.4
PTI-319024/16		Outside Tool Tray, Grey with Magnetic Tool Strip	605L x 110W x 130H @ Bottom, 270H @ Top	60Wx170H	PE	4.2
PTI-319119-C		Tool Tray for Bucket, Grey Semi Oval with Slide Lid, Internal Tool Loops and Lockstrap. Supplied with 2 Bucket Hooks	385W x 220L x 300H	76W	PE	3.8
ATP-BMRB		Rope Box, Completely Non-Conductive with Lip & Elastic Straplock (Rope & Karabiner sold separately)	Custom Made	Custom Made	Nylon	3.1

## Bucket Matting & Covers

Part No: PTI Series

Part No	Picture	Description	Features	Options
PTI-TG-*		Bucket matting - Tru Grit	Non Slip	Over 17 standard sizes
PTI-FMTG-*		Bucket matting – Fibreglass Moulded Base and Tru Grit Non-Slip	Fibreglass base protects liner base	Built in step
PTI-SGS-*		Bucket matting – Safety Grating Solid Black gripping surface	Hygienically designed to allow drainage of fluid and passage of debris. Will not rot, flake or splinter. Bonded grid pattern. Available 610mm wide x 12m long lengths (min 305mm length).	Colour, sizes
PTI-SGAF-*		Bucket matting – Safety Grating Air Filled Flexible cushioning surface, standard black		Colour, sizes
PTI-*-F		Bucket matting – Foam	Ergonomic cushioning, non-slip, non conductive	Sizes
PTI-*		Tru-Fit tough, rigid, polyethylene cover and webbing	Mildew resistant webbing. Easy to install and remove.	Range of models available. Strap buckle or snap cord closure

Knife Holder	Large 4 Piece Combo Belt Set	Web Work Belt	Tape Measure Pouch

### STRAPS

#### Webbing Strap Cam-Lock Tie Down

Part No: M04WSBYTEN-W5125

- Multi-purpose cam lock tie down
- Ideal for securing ladder to vehicle ladder rack

Dimensions (mm)	Weight (kg)
25 (Webbing) x 1250 (L)	0.2

#### Battery Tool Shoulder Strap

Part No: M11WSBYTEN-WSKL

- Stainless steel clip

Weight (KG)
0.3

**HARD STORAGE CASES**

**Die Box**

Part No: DIE-BOX

- Heavy duty steel
- Powder coated
- 20 compartments ideal for dies plus 1 large compartment
- Dual clasps and carry handle

Dimensions (mm)	Weight (kg)
365 L x 365 W x 78 H	5.1

**Ground Tarp & Soil Mat - PVC**

Part No: M13GTRTEN & M13SMRTEN Series

- M13GTRTEN series Ground Tarps designed for covering the ground around the power pole base
- M13SMRTEN series Soil Mats designed for piling dirt on to keep walkways and underground work areas clean and tidy
- PVC with reinforced edging
- Custom designs, shapes and sizes available upon request

**Stick Case – Aluminium**

Part No: CASE-STK

- Quality heavy duty aluminium transport case
- Designed for safe transport and storage of stick kits
- Butterfly lock clips and three carry handles
- Document holder in lid
- Custom made designs available upon request

Dimensions (mm)	Weight (kg)
1450 (L) x 440 (W) x 140 (H)	10.0

**Detector Case – Aluminium**

Part No: CASE-DET

- Quality heavy duty aluminium transport case
- Designed for safe transport and storage of voltage detectors
- Butterfly lock clips and three carry handles
- Document holder in lid
- Custom made designs available upon request

Dimensions (mm)	Weight (kg)
54mm (L) x 440mm (W) x 350mm (H)	11
