

SIMPLE GREEN® INDUSTRIAL

Part No. SG13004 - 20L, SG13005 - 3.78L

The powerful and safer solution for cleaning and degreasing Fibreglass surfaces.

- Ideal for a wide range of industries including vehicles, EWP's, manufacturing, mining, automotive, transportation and engineering
- Cuts through tough grease, oils, cutting fluids, built-up grime and residue on equipment, engines, machinery, vehicles, manufactured parts & more
- Powerful enough for intense grime, yet gentle enough for continued maintenance of fibreglass surfaces

NOTE: Approved for cleaning the fibreglass on EWP's by major EWP manufacturers and Electrical Utilities

Features

- No special PPE requirements for handling (safe work practices are recommended)
- Not classified as hazardous for transport
- Versatile formula cleans and degreases all washable surfaces
- Economical concentrated formula provides a more cost-effective solution for cleaning and degreasing
- Safer alternative to hazardous and caustic chemicals and solvents
- No bleach, no ammonia, no petroleum solvents
- Added sassafras fragrance for deodorising and green in colour for product identification
- Product claims verified by independent laboratories
