

Battery powered portable winch

EDER Winch - ECW-1200-B

Joining forces with STIHL, this EDER battery-powered winch delivers unprecedented reliability. This lightweight and compact portable capstan winch is your go-to unit for remote locations where alternative power is not available and where conventional petrol-powered units cannot be used, such as tunnels, confined areas, noise-sensitive locations and areas with vegetation fire risk.

Control operations from outside the “DANGER ZONE” by lightly pulling on the rope, which engages the trigger to commence the rotation of the capstan. The capstan stops immediately when the rope is released.

Easy access to the “Emergency Stop Button” is provided should a problem occur.

The Eder Winch is ideal for pulling, lifting and tensioning!

Used for:

- Underground cable hauling
- Overhead conductor stringing
- Lifting equipment up poles and towers
- Tree lopping and felling, including directional felling
- Ground clearing & firewood collection
- Camping, hunting & 4X4
- And more....

NOTE: Suited to 10mm rope only

| Part No. | Description | Powered | Battery life | Max capacity - Pulling/Lifting | Speed @ max capacity | Wt (kg) |
|------------|--|---------------------------|----------------------|--------------------------------|----------------------|---------|
| ECW-1200-B | Battery powered, portable winch (skin) | STIHL battery motor 1.7kW | *20min @ Max tension | 1200kg/240kg | 13m/min | 12kg |

*Dependent on battery Ah

Vehicle hitch kit - ECW-1200-B-K

| Part No. | Components |
|--------------|-----------------------------|
| ECW-1200-B-K | 1 x EDER Battery winch |
| AP-300-S | 2 x 36V Stihl Battery 7.2Ah |
| AL-500 | 1 x 36V Stihl fast charger |

Vehicle hitch kit - ECW-1200-B-K

| Part No. | Components | |
|----------------|---|---|
| ECW-DRH | 1 x Dual hitch |  |
| ECW-HP | 1 x Hitch pin |  |
| ECW-PLATE | 1 x Winch plate |  |
| ECW-RHBS | 1 x Recovery hitch & bow shackle |  |
| ECW-BS | 1 x Bow shackle |  |
| DBPR-10-100-TE | 1 x 100m x 10mm double braid rope with thimble eyes |  |
| ECW-CASE-L | 1 x Hard case large |  |
| ECW-WC | 1 x Wheel chocks TRED, pair |  |

Battery options

| | | |
|----------|--------------------|---|
| AP-300-S | 36V Lith-ion 7.2Ah |  |
| AP-500-S | 36V Lith-ion 8.8Ah | |

Charger options

| | | |
|--------|---|---|
| AL-300 | Fast charger for AP-300-S (Approx 80min) & P-500-S (Approx 90min) |  |
| AL-500 | Super quick charger for AP-300-S (Approx 45min) & AP-500-S (Approx 55min) | |
